

## **In This Moment**

**By: David Archuleta**

Driving through the city for the first time you and me  
Staring through windows at my own reflection  
How can a window encompass perfection  
Now that I know what it's like to be living  
This beautiful world will never stop giving  
I can't return to a life with no vision  
Born into eyes not by my own decision

And I [CORRECTION HERE] wanna be in this moment, no one can take it from me  
And I [CORRECTION HERE] wanna stay in this moment, no one can take it away from  
me

Give me a chance and I'll show you what's real  
Open your eyes and you'll see  
That I'm stuck in a moment and no one can take it from me

And I, [CORRECTION HERE] I wanna be in this moment no one can take it from me  
And I, [CORRECTION HERE] wanna stay in this moment no one can take it away  
From me

Yeah
