

## **True Friends**

**By: Hanna Montana**

We sign our cards and letters BFF  
You've got a million ways to make me laugh  
You're looking out for me  
You've got my back  
It's so good to have you around  
You know the secrets I could never tell  
And when I'm quiet you break through my shell  
Don't feel the need to do a rebel yell  
Cuz you keep my feet on the ground

You're a true friend  
You're here till the end  
You pull me aside when somethin' ain't right  
You talk with me now and into the night  
Til it's alright again  
You're a true friend

You don't get angry when I change the plans  
Somehow you're never out of second chances  
Won't say I told you when I'm wrong again  
I'm so lucky that I found

A true friend  
You're here til the end

You pull me aside when somethin' ain't right  
Talk with me now and into the night  
Til it's alright again

True friends will go to the ends of the earth  
Til they find the things you need  
Friends hang on through the ups and the downs  
Cuz they've got someone to believe in

A true friend  
You're here til the end  
You pull me aside when somethin' ain't right  
Talk with me now and into the night  
Don't need to pretend

Oh you're a true friend  
You're here til the end  
You pull me aside when somethin' ain't right

Talk with me now and into the night  
Til it's alright again  
You're a true friend  
You're a true friend  
You're a true friend
